Academic offer

uam.mx/oferta.html

82% Accredited graduate programs by Mexican Ministry of Science, Humanities, Technology and Innovation (SECIHTI)

Faculty

1,319 UAM is the university (public or private) with the highest proportion (36%) of researchers in the mexican National System of Researchers (SNIIR)

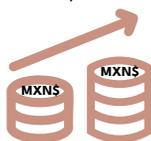

Culture

Quantifying the social value integrated by the UAM in 2023

The social return on investment (SROI) index was 1.51, which shows that for every mexican peso (MXN) invested, UAM generates 1.51 mexican pesos profit (return) in one year.

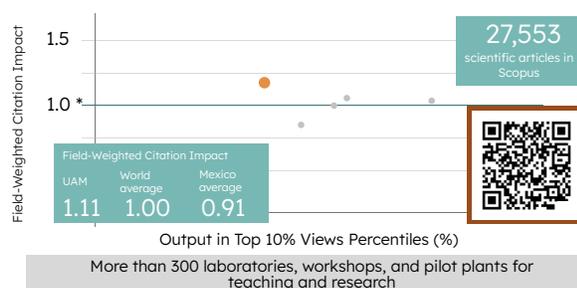

This result indicates that UAM generates well-being and wealth, benefiting broad social sectors.
