**RESEARCH IMPACT**

investigacion.uam.mx

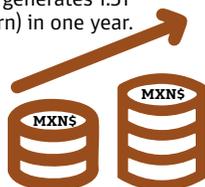

2018-2024

**QUANTIFYING THE SOCIAL VALUE INTEGRATED BY THE UAM in 2023**

The social return on investment (SROI) index was **1.51**, which shows that for every Mexican peso (MXN) invested, UAM generates 1.51 Mexican pesos profit (return) in one year.

This result indicates that UAM generates well-being and wealth, benefiting broad social sectors.

**STRATEGIC INTERNATIONALIZATION**

402

National and international cooperation agreements (America, Europe, and Asia)

**INCOMING AND OUTGOING MOBILITY**

Labor market values mobility with a significant benefit (up to 70%) of the income reported by UAM alumni, who participated in the Mobility Institutional Program.
